

El Dorado PTA After-School Enrichment Program

Classes begin Mon. Aug. 26, 2019 and end Thurs. Dec. 05, 2019.

***No class changes or refunds after 9/12/19 (after the 3rd full week). No exceptions.

Register for classes online at: <https://popsicle.app/parents/EldoradoPTA-xlygmg6/login>

ASEP General Information (schedule on 3rd page)

- ASEP classes are scheduled by semester and range from eleven to fourteen weeks. This allows greater flexibility for instructors and general overall program quality and continuity for students and families.
- ASEP is now using a new registration website called "Popsicle." It is the same vendor as SimplyAfterSchool (SAS) used last year. If you had a prior login account on the SAS website, your information was automatically transferred to the new registration site. **PARENTS YOU WILL NEED TO UPDATE THE NAME OF YOUR CHILD'S CLASSROOM TEACHER, GRADE, PICK-UP INFO., AND EMERGENCY CONTACT PHONE NUMBERS.**
- Times, dates and total number of classes may vary for each course offered during the semester; depending upon the availability of instructors and season (weather). You will see the total number of classes offered for each specific course when you login to the Popsicle website. Registration prices will vary depending upon the total number of classes offered for each specific course and whether that class requires a materials fee (i.e., art classes). For example, running club may offer 10 classes this semester and creative movement may offer 14 classes.
- Parents it is your responsibility to know when your child has or does not have ASEP. After you choose classes for your child you are able to print out a receipt and a copy of your child's schedule. Please remind your child before school in the morning that he/she has class on their assigned day. Also, it is 3-4 hours from when your child last had lunch so have them pack a light, healthy snack to eat at the beginning of their class. Make sure your child brings to school anything they need for their class or they may not be able to participate that day (like their instrument or running shoes).
- Please let your child's classroom teacher know if your son or daughter will be in school but are not planning to attend ASEP after-school (i.e., if they have a doctor's appointment and you are picking them up). Please also leave a message in the front office if your child will be absent from school and/or their ASEP class that day. This helps us make sure we know where your child is at all times. The front office will let Susan Savoie Brown (ASEP Director) know that your son or daughter will not be at ASEP that day. She is teaching classes all day so she is typically not near or may not have the time to check her phone or computer. You may also email or leave a voicemail message at her desk ssbrown@sfps.k12.nm.us or 467-4958. She will reply back to you via email or voicemail that she received your call when she is able. If she does not know that your son/daughter is absent she has to try and track down your child's classroom teacher, check in with the front office and/or call you. This wastes a lot of time, energy and concern that could otherwise be easily avoided with good communication.
- New classes or workshops may be added throughout the semester if new instructors and course offerings become available.
